Member of Parliament for Finchley and Golders Green

Dear [Insert School Name],

I am a parent of a child in [Insert Year].

I am writing to ask you to apply for one of the six newly fully funded knife crime prevention workshops currently being offered through the Barnet Safer Neighbourhood Board in partnership with the Ben Kinsella Trust.

I believe that our schools play a vital role in equipping young people with the knowledge and confidence to make safe, positive choices. I'm sure you can understand why I am so supportive of this type of initiative as a parent, given the several knife related incidents in North Finchley in recent months.

The Ben Kinsella Trust Choices and Consequences Exhibition is an award-winning, immersive and interactive workshop that explores knife crime, the law, and the real-life consequences of decision-making. It is designed to be engaging, age appropriate and impactful for young people.

This feels like exactly the kind of early intervention that can make a meaningful difference to our children.

For more information on the exhibition, please visit the website:

To book, follow this link and use code BARNET so it's free:

Thank you very much.

Best wishes,

[Your Name]
